VENDOR EXPERTISE

“ The Galen staff brings a wealth of knowledge and experience to both our implementation initiatives as well as our end user support activities. We partner with Galen because we can count on solid, consistent resources who get the job done.

Stefanie Bruemmer
Director, Ambulatory EMR
Northwell Health

“ Galen has been a go-to partner for Meadows with the complex transition to Meditech MPM. Their expertise and adaptability have enabled us to maintain our aggressive transition schedule. They are a premium player in this arena.

Chuck Bondurant
Vice President Information Services/Chief Information Officer
Meadows Regional Medical Center

Drew Bradle is an Executive Director at Galen Healthcare Solutions. Specifically, he sits at the intersection of data, research, and consulting to help interpret the best strategies to support healthcare organizations across the country.
